

*Considering the Next Chapter of
My Life:*

When the time comes that it is judged that I am too old or too ill to remain at Villa Julie Residence, It is my wish, that I would continue to live with the Community, I happily chose so many years ago.

I, therefore, desire to join my Sisters at Ohio/West. Thank you for considering this request, and if possible abiding by my decision.

Gratefully,

Sister Therese McMenamin.
